HYPO-COD MAKES HER STRONG, VIGOROUS AGAIN

"I certainly think Earle's Hypo-Cod "I certainly think Earle's Hypo-Cod is a wonderful tonic for anyone whe is needing a builder or spring tonic, declared Mrs. H. J. Burnside, 909 fl st. N. E. "I was in a generally rundown condition and felt so weak and tired all the time my work was drudgery and slavedom. I had no strength and lacked energy. I didn't sleep good a bit, either, and would get up all tired out in the mornings. My appointe was poor, too, but Earle's Hypo-Cod in just a few days made mestronger and better than I'd been in a long time. I sleep good at night. My long time. I sleep good at night. My appetite is good again and I wake up hungry, refreshed and ready for the day's work. It is a splendid remedy and I recommend it to anyone needing a tonic," continued Mrs. Burnside. Thousands of others in this city swear by Earle's Hypo-Cod. Come down to the nearest drug store and get a couple bottles. Let everyone in the family take it a few days as a spring and summer tonic.

LADY AT DEATH'S DOOR REVIVED QUICKLY BY IT

There can be no question about Earle's Hypo-Cod being a stronger, better quicker acting tonic. The statement of Mrs. D. E. Whitlaten whose address for easy verification is printed below proves this. She said: "I had a dreadful attack of the 'Flu' and I was down with it for six long trying weeks. I thought I was strength. My appetite was so poor didn't care to eat enything. I had headaches and pains across my chest and coughed all the time. I couldn't get anything to stop the cough either Earle's Hypo-Cod praised in the papers and I do believe the very first dose helped me. I kept getting better and better and stronger and stronger til I feel today as strong and good as I ever did. The headaches, aches, screness, cough and all left me and my screness, cough and all left me and my appetite and digestion are grand. It is a good honest medicine and I gladly endorse it publicly. For years I had a slight bronchial affection and even that has gone," continued Mrs. Whitiatch, 1329 Potomac Ave. S. E., Washington, D. C.
